Mission: To improve the overall quality of health care that is provided to the consuming public.

The American Board of Quality Assurance and Utilization Review Physicians, Inc. (ABQAURP) is a non-profit, nationwide organization of over 9,800 physicians, nurses and other health care professionals. ABQAURP is known for its prestigious Health Care Quality Management (HCQM) Certification and high caliber educational programs. HCQM Certification is designed to elevate professional standards and enhance individual performance. Earning this certification designation offers several benefits, including expanded knowledge and national professional recognition for demonstrated competence in the health care industry.

Accredited by the Accreditation Council for Continuing Medical Education (ACCME), ABQAURP's Continuing Education (CE) Seminars feature compelling and highly stimulating lectures on health care topics presented by well-known, expert speakers in the industry. Through its continuous efforts, ABQAURP works toward its goal of "Promoting Health Care Quality and Patient Safety Through Certification and Education."

This program is designed for companies who share the same mission as ABQAURP. Companies and corporations affiliated with ABQAURP help to create a solid foundation to ensure professionalism, credibility and quality care in the health care industry.
